THE PACIFIC TRAILERS ASSOCIATION

The PTA is an industry organization of inde-  
pendent overwinter operators of troll fishing ves-  
sels engaged in the commercial salmon fishery  
on the West Coast of Canada.

Founded in 1956, the association is based in  
eight (8) branches in coastal communities  
within B.C. which have historically received  
and continue to receive substantial economic  
benefits from the members' business activities.

The purposes of the PTA are:

- "To promote the welfare of and to defend the  
rights of members.
- "To provide official representation of and for  
troll fishery in dealing with government,  
Boards and agencies.
- "To provide liaison with industry.
- "To participate in active industry management  
to the extent permitted by the laws of Canada.
